NANCY CLARK ELECTED TO SCHOOL BOARD

Mrs. Nancy Clark of Floradale Ave. was elected to the School Committee Monday night, in a combined meeting of the Board of Selectmen and School Committee, to fill the vacancy caused by the resignation of William Fay.

The two committees met at 9 pm in the Town Hall, where the Selectmen had been holding their regular meeting. Chairman Bruce McDonald carefully laid down the ground rules for the voting, as detailed by the Town Counsel. He said that the nominations would be made, and then the voting would be done by balloting. Miss Diane Imbimbo asked if it could be conducted in executive session, and Mr. McDonald replied that the Town Counsel felt it better if it be done in open session, for the welfare of the community.

Mrs. Drew immediately nominated Mrs. Clark, who was the runner-up in the spring election, and Selectmen Miceli and Backman seconded together.

Mrs. Barbara Hooper of the School Committee then nominated Mrs. Ann Rounds of Butters Row, with Miss Imbimbo seconding. Chairman of the School Committee John Brooks then requested his name be used for the seconding, so that Miss Imbimbo could nominate her candidate.

Permission was granted and Miss Imbimbo then nominated Dr. Ralph LePore of Middlesex Ave. Mrs. Hooper spoke on the qualifications of Mrs. Rounds, and Mrs. Frances Gray, who was sitting in a spectator's chair, spoke on her thoughts that the candidate who had run for the position should be the one elected.

The balloting found Mrs. Clark the winner by an 8 to 2 majority. Banda then instructed the chairman to destroy the ballots, but on reconsider-

ation it was decided to hold them for the Town Counsel.

Other business

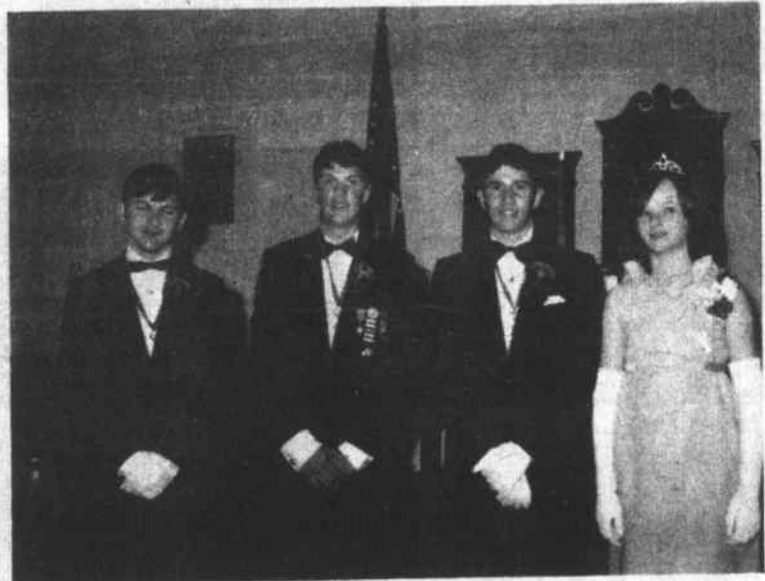

Underground electric cables for a new sub-division was the first subject discussed in the Selectmen's meeting. James Blomley, representing the Reading Municipal Light Board presented three proposals to Morton Grant of the Planning Board, and the Board of Selectmen. Since Blomley was not certain of the ownership of street lights, in such an instance, the Selectmen referred the matter to TM Sterling Morris, who is to consult with the Town Counsel.

Gordon Hayward of Thrush Road appeared before the Selectmen to discuss SILC and the relocation of Rte 62, and problems of a circumferential highway around the Metropolitan area of Boston.

Mr. Hayward, who represents the Selectmen in SILC, said that there are now eleven towns in that organization, and though the State DPW refuses to recognize them, they were concerned. Jim Miller, of the Metropolitan Area Planning Council attends all their meetings. Hayward said, and he extended an invitation to the Selectmen to attend the meeting. "SILC."

Shell Oil District Engineer Gerald O'Neal appeared to ask for additional storage space in the Shell stations, one on Middlesex Avenue and one on Main Street. He was asking for added tanks of 4000 and 5000 gallons.

The new tanks were to be for lead free gasoline, he told the Selectmen, and General Motors is now developing a car for the 1971 market which will use only this gas. It was Shell's intention to help in fighting air pollution without legislation, and that was the reason for the new tanks.

NEW DE MOLAY OFFICERS: Installed at the Masonic Hall last Saturday evening. L to R: Barry Garden, Junior Councillor; Gary Whitcomb, Master Councillor; and Rick Gustafson, Senior Councillor. At right is Miss Pam Bacon, Chapter Sweetheart.

FROM THEFT TO ARREST IN TEN MINUTES

It took only ten minutes to have a couple of Wilmington juveniles arrested, after they had stolen a car from a Brand Avenue man.

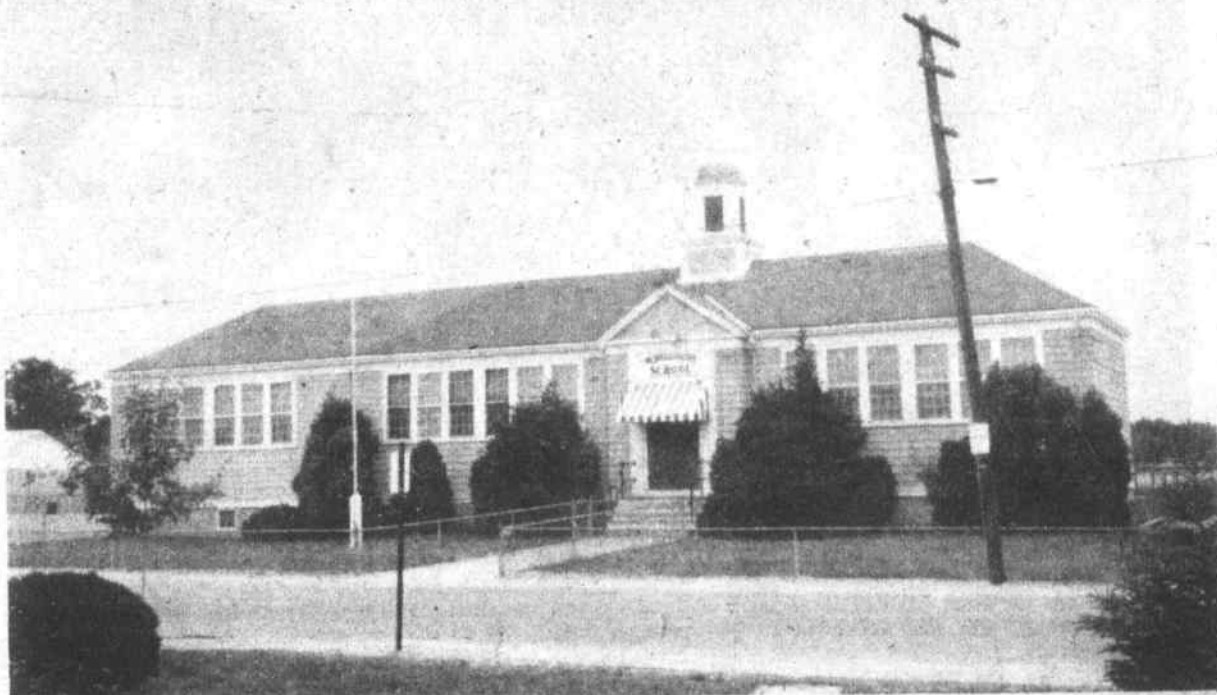

Robert Woodland of Brand Avenue called the police at 11:15 pm Tuesday to report that his red Chevy convertible had just been stolen.

A broadcast from the police radio

brought back the news from two Wilmington police cruisers that the car had just been seen on Clark Street.

After many fast turns the car was forced to stop on Marion Street by Sgt. Jay Palmer and Officer Mike McKenna, with Officer Anthony Langone and Roscoe, police dog, on hand to track down the boys, if they tried to escape into the woods.

New Welfare Dept HQ?

THE MILDRED ROGERS SCHOOL: At Silver Lake, closed, probably for good, Tuesday noon. Named after a Wilmington school teacher who lost her life in the Coconut Grove fire in 1942, the building is about 35 years old.

While plans are not yet certain, it will probably become the headquarters of the Wilmington Department of Public Welfare, which will probably use three of the four rooms of the building, starting about July 1.

Tentative plans are for the Planning Board and Conservation Commission to occupy the fourth room.

DRUG COMMITTEE WANTS CO-ORDINATED PROGRAMS

The Wilmington Drug Committee, meeting in the Town Hall Tuesday evening, was given a first hand view of the new drug exhibit, now in the police station, prepared by Inspector John Harvey of the Wilmington Police and Bruce Munson of Sweetheart Plastics.

Mr. Munson told the committee he was preparing an Adult Education Training Program for the supervisors at Sweetheart Plastics, which he was willing to let the Drug Committee use, if it wished.

Dr. Strudler, of Lowell, a visitor working for the proposed Drug Referral Center in that city, told the Committee that they are seeking a 60 cent per capita fund from each of the nine communities in the area, for the Center. The proposed center is for the caring and rehabilitation of drug addicts.

Mrs. Joseph Gilligan, a spectator, asked the Drug Committee if other committees were working on the same problem and had been asked to 'sit-in' so that the different groups could

co-ordinate. Mr. Durkee, chairman, assured her that personal letters had been sent to interested persons. The Drug Committee wants co-ordinated programs, he said.

Harold Garrett, High School Vice Principal, who is charge of the drug education programs in the public schools, said, in answer to questions, that there would be a ten-week Drug Education course in grade nine, this fall, using outside resources.

He was asked by the committee if there was any instruction in the lower grades. He stated that the subject did come up, in those grades.

JUVENILES ARRESTED IN WILMINGTON DINER

Two Wilmington youngsters were arrested by the police at 3:25 am yesterday morning, while inside the Wilmington Diner, on Main Street in the Silver Lake area.

The youngsters were noticed within the diner by the police, as they drove down Main Street in a police cruiser.

CUTTING THE CAKE FOR THE NEILSON CLAN: Mrs. Mildred Buck Neilson of Glen Road was hostess, Sunday, to 75 relatives, in what was a 'June Version' of the old Neilson Christmas Parties of 50 years ago. She is shown cutting the cake, at the end of the afternoon party.

Included in the gathering were many descendants of the Buck, Carter, and Gowing families of Wilmington.

\$100 STOLEN FROM MARJORIE ROAD HOME

Sneak thieves are believed to be responsible for the disappearance of approximately \$100 from the home of Peter Simmons of 14 Marjorie Road.

Mrs. Simmons returned home on June 16th at about 3:40 pm and noticed that a cigar box used to keep odd cash in was missing.

The money was in change and small bills.

Surprise Party for Mrs Eleanor Day: Retiring High School Secretary, was held in the Holiday Inn in Tewksbury last Friday evening, and was a complete surprise. Over 100 guests were present.

Mrs Day was the High School Librarian in 1950, and when the position of Secretary opened she was appointed to that position, which she held for nineteen years.

With Mrs Day and Mr. McMahon, High School Principal are Miss Georgia Dadoly, left, and Mrs Kenneth Palme, right, organizers of the surprise party.

FIRST BAPTIST CHURCH

Friday: 5:30 pm Annual Church Picnic at church. Coffee, punch, and grills provided. Games contests and fun for all.

Saturday: 9 am. Swim in at Wyman's Beach for all church members and friends. Meet at church at 9 and pick up auto tickets.

Sunday: 9:30 Sunday School for all ages; 10:45 am Morning Worship 7 pm Evening Service. Miss Thelma Rice, Missionary in South Africa

Tuesday: 7:30 pm Chir Rehearsal Wednesday: 7:30 pm Midweek Prayer and Praise Service. 8:30 pm Quarterly Business Meeting. An important financial decision is to be made at this meeting. All voting members urged to attend.

Crusaders & Swordsmen

Both Crusaders and Swordsmen were successful in their competitions last weekend.

Crusaders placed seventh at the American Legion State Championship on Saturday in Hyannis with a very creditable showing. They took third place in the difficulty caption with one judge giving credit exclusively for the difficulty of the music. The Crusaders were third behind two of the top corps in the country - the Boston Crusaders and the 27th Lancers, and trailed only one-tenth of

LINDA FRANCISCO GRADUATES MGH

Linda Francisco, daughter of Mr and Mrs Otto Jacobsen of 22 North Street graduated from the Massachusetts General Hospital of Nursing on June 12, at the John Hancock Hall. Linda will be employed in the intensive care unit of the New England Memorial Hospital in Stoneham.

a point. In all over scoring, they beat out Springfield Targets by eight points.

In Burlington on Sunday, the Swordsmen took third place, tying with the Norwood Debonnetes and beating the Hyde Park Hot Shots. The Swordsmen Managers treated them to ice cream sundaes as a reward.

This weekend on Friday evening, both corps will compete at Kelley Field in Hyde Park. On Saturday both corps will compete in the VFW CONVENTION PARADE AT Hyannis representing the Nee-Ellsworth Post followed by a trip to the beach.

MARIJUANA FOUND IN NORTH WILMINGTON

Wilmington police, investigating a suspicious car on Route 125, at the Clarke Farm (On Andover Street) found a bag of marijuana in the woods nearby, but not enough evidence to connect the bag with the occupants of the car.

5 Reading boys, one from North Reading, and two girls from Wakefield were taken in by the State Police, who were

also checking into the suspicious car.

The youngsters, all between the ages of 17 and 22, fled into the woods at the approach of the state police.

The youngsters, all between the ages of 17 and 22, fled into the woods at the approach of the state police.

Shortly afterwards, at 6:30 pm June 13th, Officer James Marsi of the Wilmington police found the marijuana in the area through which the youngsters had fled.

BEE PICKER: That man up in the apple tree is not picking apples, but instead catching a swarm of bees. The swarm was noticed in back of the Town Crier office Saturday afternoon, and John TenDyke, of Hathaway Road gladly came up to add them to the bees he keeps professionally. That's John, on top of his truck, wearing mask and gloves, collecting another hive of bees.

On Sunday, both corps will be competing again in Tewksbury at one o'clock. The Tewksbury contest will let the townsfolk see both the Class C Swordsmen and the Class A Crusaders in actual competition.

operations at other places, and, as far as he could tell, there were a little closer to the lot line than they should be, but there was still sufficient earth products on hand to back fill.

Miceli was adamant, but the Selectmen decided to invite DeLoury and Morey to the next meeting and talk things over.

Banda said he wanted to review all bonds, as well as the Town Counsel.

Harding then discussed the Magee excavations, further up on Andover Street, which is being allowed by a Court Order. Banda asked about a bond for the operation, and the TM replied that there was none, because the operation was a Court Order.

Banda argued that this was not necessarily so, and the Town Engineer said that the procedures were described in a final decree issued on April 7, 1970, and that it was based on a one year date of entry in the decree.

Harding then added, about the Morey and DeLoury excavation, that they had two basic permits for adjoining parcels of land to excavate, and he felt that a joint application between the two sites was better than to leave a ridge, sloping up to the property line.

The Selectmen signed a deed for the

Grange Hall property, and for a County Commissioners petition for work on Main and Lowell Street.

A letter of commendation for the Fire Department, from Supt. of Schools Walter Pierce was read and sent on to the Fire Chief.

Mr. Sheehan of 2 Burnap Street appeared to ask that something be done about the Town Beach entrance, which he said was burdened with litter. He reported having talked with the Chief of Police, and that signs meant nothing.

Sheehan said if the lot on the other side of the school were used it would help, and that when the town hottopped the parking lot they added two to three inches to the grade, which causes the water to run-off, in the fall and winter and leave six inches of water in the immediate vicinity of his driveway.

Miceli suggested immediate enforcement of the litter problem, and that the Town Manager take care of the other problems by having the signs legalized, and the drainage investigated.

New Business

Mrs Drew noted that surveyors were at work near Park Street, and the TM said they were from the County Engineer's office.

Miceli reported being reprimanded by eight people because there were no flags out on Flag Day. He presented a petition from Hobson Ave.

MAILING THE PACKAGES AGAIN: Harold Foley, past president of the Rotary Club of Wilmington mailed the gifts to the Japanese students who were guests of the club a month ago, but they were returned from San Francisco for some technicality. He mailed them again, from Wilmington Post Office, last Friday morning, and was an extremely busy man doing so.

people for the excavation and cleaning of Lubbers Brook. A complaint was noted that the State Department of Natural Resources had done nothing about a complaint in the area, and Backman said they had requested a plan of the site from Mr. Arsenal.

Chairman McDonald wanted to know the board's wishes about the new law which goes into effect in July, about open air burning.

Backman said there was some talk about towns without 'pickup' being excepted until 1971, but McDonald pursued the question with the note that it was only fair to the townspeople to see what had to be done.

The old question about a sidewalk on Ferguson Road came up again, with a request by some residents for another poll, since the previous poll had wanted no sidewalks.

The TM agreed to send out letters. Banda had a question about whether or not this could be accomplished since there had been a town meeting vote. Miceli said the town meeting vote was on the street, but not the sidewalks. The TM will send out the question, and then the question will be up to the Town Counsel.

Mrs Frances Gray asked about a new sidewalk for Clark Street. The TM told her it would be in about a month, he hoped.

Principals for Dip and Sip, a proposed new operation to be on Main Street appeared to query about their license rejection. Since correspondence had already been exchanged with their attorney, Harvey Levine, McDonald read the vote that denied the licensing, due to traffic problems created by this type of business. The principals were asked to return with their attorney on June 29.

The Selectmen adjourned for an executive session at 9:30 pm.

AVCO TO MAKE ARMORED VESTS

Avco Specialty Materials Subdivision, a newly-formed component of Avco's Government Products Group, of Wilmington, has been awarded a \$1.3 million contract for the production of 15,000 air crew armor vests, by the Defense Personnel Support Center, of Philadelphia, Pa.
Avco's vests will provide full torso coverage and are significantly lower

in weight than steel, for the same ballistic protection. Fabricated of ceramic and glass-reinforced plastic, the armor will be worn by Army air crews assigned to helicopters and light aircraft. The vests provide protection against all military ammunition. Avco's current programs include fabrication of armor vests and shields for protection of law enforcement officers, in addition to continued production of steel and ceramic armor materials.

Are you a golfer:

Well keep old golf balls away from inquisitive youngsters who might try to find out what makes them bounce by taking a look inside.

What's inside those golf balls? Sulfuric acid, barium salts, zinc sulfide, silicone, gelatin, corn syrup — under incredibly high pressures (up to 2,500 pounds per square inch)

If cut open, some golf balls can explode. Some children have had serious eye injuries resulting from such explosions.

This is a good warning. Fill your prescriptions at Silver Lake Pharmacy, 52 Main Street, Tel. 658-4617. Cosmetics, including Clairol. Candies Greeting Cards for Father's Day. Open Every Day 9 AM to 10 PM.

Helpful Hint: Remove rust spots in white kitchen sinks by squirting on liquid rust remover. Wash and rinse well.

JEAN SMITH RECEIVES BS DEGREE

Jean L. Smith of Eleven Veranda Avenue received her Bachelor of Science Degree in Nursing from the University of Virginia on June 6, 1970.

Among 1974 degrees awarded were 515 Master's Degrees, 102 Doctorates and 82 MD Degrees.

RENEE LA VALLEE GRADUATES

Miss Renee LaVallee of Six Oakdale Road, the daughter of Mr and Mrs Albert LaVallee will graduate from Cinderella Career and Finishing School.

Renee has been studying fashion design and is now employed by Sears Roebuck in Burlington.

King - Guarino Nuptials

At a two o'clock ceremony at St Thomas Church, with Father Mackin officiating, Lorraine B. King the daughter of Mr and Mrs Ernest E. King of 57 North Street was given in marriage by her father to Carl Guarino, the son of Mr and Mrs Angelo Guarino of 100 Forest Street on May 23, 1970.

Gowned in silk organza with daisy applique and a lace mantilla floor length veil, the bride carried carnations and roses with a center corsage of orchids.

The maid of honor was Susan Martin and she was gowning in coral cotton voile with daisy applique and a bow hat with a finger tip veil. The bridesmaids gowns were identical, but in pink. They all carried carnations and roses.

The bridesmaids were Roseann Poole, a sister of the bride and Mary Ann King also a sister. Sharon Clark of Wilmington, Judy Peterson of Dedham, and Nancy Sliger of Billerica; Penny and Sissy Poole were the flower girls. They are nieces of the bride.

The best man was Mark Guarino, a brother of the groom and ushers were friends from Wilmington. Among these was James Sousa, Danny McGinnis, James Natoli, Steve McNamara, and Richard MacLean, and the nephew of the bride. Butch Poole was the ringbearer.

A reception was tendered the couple at VFW Hall on Main

Street with music by Al Grebo of Methuen and the guest book was taken care of by sisters Maria and Jeanine DeFelippo, friends of the bride.

The mother of the bride chose pale blue lace redingote with a baby orchid corsage, and the groom's mother wore blue and white with a baby orchid corsage.

For the wedding trip, the bride wore light blue pants suit with white accessories.

Mrs Guarino is a graduate of the Wilmington Public Schools and is employed at Photon.

Carl, also a graduate of the Wilmington Schools is now employed by the Beckwith Elevator Company in Boston, after having completed his tour of duty with the United States Marines.

The couple are now at home in Billerica.

CHARLES B MOEGELIN MAGNA CUM LAUDE

Charles B. Megelin, the son of Mr and Mrs Ernest Megelin of One Gunderson Road was graduated Magna Cum Laude from the University of Massachusetts where he majored in History.

He was elected to the University of Massachusetts Chapter of Phi Beta Kappa on May 11, 1970 and has been accepted at the Boston University School of Law.

**PAMELA PHILLIPS
BETROTHED**

Mr and Mrs Wallace Phillips Sr of Ballardvale Street have announced the engagement of their daughter Pamela Anne to Mr Eugene Guy Marion of Gloucester.

Miss Phillips is a graduate of Wilmington High School and is employed presently by Photon.

Mr Marion studied engineering at Lowell Tech and majored in electronics at Wentworth Institute from which he graduated. He is a founder of Control Devices Inc of Woburn. A September wedding is planned.

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after 5 pm 658-4865. If I'm not there I'll call you.

Hello there, Group...and this is really going to be something this week between what was left out and what was left in last week and what is to be added this week....So, away we go!

That Joe App dropped into the Red Plush Pad on Monday am and acted stunned....After resting in our chair and gaping around, he noted on leaving....'Now I have to go back into Wilmington.' Thanks, Joe.

And while you're in the square, stop into the Pet Pouri and see what the Giles family has to offer.. All kinds of fish, gerbils, white mice snakes, acchh...and lots of other things in the pet line...and if they don't have it, they'll get it...That is the old Wilmington Pet Supply...AND.. the Coffee Pot is always on.

Frank Kendall is home from the service and is catching up on his visiting and rest...He dropped into see this Chick and finally caught up with same. He resides on Hopkins

Street but is going back to Florida for a while and then hopes to settle in Vermont in the Dairy Country... and this Gal is with you, Frank... He also tells us that brother, Larry has signed up with the Marine Corps as a lifer....Good luck, Larry!

Seems like some taxpayer likes to air a big white poodle on the Rotary Park around 8 am and 4 pm...Hope Everybody doesn't take to this... Should be kind of hard on the Little League Players...and their Mothers!

Sad News from Frank Grenon of 81 Park Street...His father died last week and the father was czring for the mother who has been bedridden for 18 years, so now she is living with Frank, who hasn't been doing too well himself...and we hope you folks will drop a line, or drop in on them for a cheery hello.....

Gus Blaisdell, the school bus driver is in the New England Memorial and he had someone call No 3 daughter and tell her to say thanks to all of the kids for the beautiful cards they sent him....Go...go...gals...and up and out there, Gus..

Double Penny Sale for the St. Dorothy's Ladies at the Church Hall tonight at 8:15 pm. Prizes and refreshments free. Public invited.... That should be fun!

Hey, Mike Shay, the son of Mr and Mrs Albert W Shay of 31 Park St won a bike on Channel 56...May you ride it in good health, Mike, and there you are folks...Watch that driving... Please! See ya next week....

Sports**BASEBALL**

The Recreation Commission is sponsoring a team in the Greater Lowell Baseball League this season. The team is coached by Dick Scanlon and the squad is made up of boys of high school age. Members of the team include pitchers, Bill Gustus, Rick Gearty, and Art Bibeau; catchers, Joe Langone, Tom Soutmayd, and Butch Everett; infielders, Tom Beaton, Paul Lyman, Buddy Simmons, and Tom Magner; outfielders, Steve Catalano, Hal and Dave Stewart, and Tom Mirisola.

Other towns in the six-team loop are Tewksbury, Lowell, Burlington, Billerica, and Hanscom Air Base. The Wilmington team split their initial two games topping Tewksbury 8-2, and bowing to Lowell on June 10 with 9-4. Upcoming games will find the boys at home tomorrow night against Billerica and next Wednesday vs Burlington. Both games will start at six o'clock at the High School.

Bowling**NO WILMINGTON BOWLING BANQUET**

The North Wilmington Merchants Bowling League will hold their banquet on June 20, 1970, at the Knights of Columbus Hall on Main Street in Tewksbury. Cocktails from seven to eight o'clock followed by dining, trophy awards, and dancing.

Pony League

The Wildcats had their three game win streak snapped on Tuesday night as the Reading Y's Men pushed across the winning run late in the game for a 5-4 win. Coach Evert's boys have improved of late, winning three after dropping their first three games of the season.

Coach Kalkanajian's Mavericks are having a difficult time getting untracked as they suffered their fifth successive loss at the hands of the Stoneham Eagles Tuesday evening 5-3.

The expansion Colts under the guidance of Paul Merrigan were winless in

the six outings entering last night's encounter at the North Reading Braves. Tonight the Mavericks will host the Stoneham Ravens at six o'clock at the High School Field. On Saturday, the Wildcats will host the Colts in a ten o'clock game, while the mavericks travel to North Reading to play the Braves at 10:00 am.

Softball League**BOYS SOFTBALL**

Teams for the Boys Softball League will be formed at the Town Park at 6:30 pm on Saturday. Boys aged 14 to 17 years are welcomed.

Girls Softball will be held at the Town Park on Friday. Teams 1 and 3 will play at 6:30 pm, and 2 and 4 will play at 8:00 pm.

JAYCEES TOURNAMENT BOUND

The Wilmington Jaycees Softball Team much of which is comprised of Jim Miceli Club of the Wakefield League will participate in a weekend tournament in Lawrence.

The locals will go against the undefeated league leaders of the Lawrence loop on Friday night at 7:00 at Hayden Schofield Playstead in Lawrence.

Their next game is slated for Sat. at 7:00, with final two encounters contested on Sunday at 1:00 and 6:00.

Manager Jay Tighe is expected to call Butch McFeeters and either Jim Tracy or Bobby Leo to handle pitching chores. The big bats of Dic Ethir and Dave Newhouse should provide the thunder, while the snappy keystone cousins, Jim Melzar and Pete Emery spark a taut defense.

For interested fans, the park is accessible by following Rt 110 into Lawrence Center and taking a left onto Lawrence Street along which the field is located.

GARY PHILLIPS ON DEAN'S LIST

Gary Douglas Phillips, the son of Mr and Mrs Wallace Kenneth Phillips of 400 Ballardvale St in North Wilmington has been named to the Dean's List at Barrington College in Barrington, Rhode Island.

Men's Softball

A pair of upsets spiced Division I play recently with Compugraphic knocking off previously undefeated Miceli Club on Sunday 8-5, as short-stop Bob Middleton belted a three-run homer in the seventh to highlight the win. Tuesday night Bemis dropped DeLoury into second place with an exciting 2-1 triumph. Winning pitcher Tom Stack scattered five hits to gain his fourth win. Dan O'Connell drove in the winning run in the second inning with a double. Joe Beaton's third inning homer was the only score for the losers.

In other action this past week, Newhouse beat Sweetheart, 9-0, and dropped a heartbreaker to Miceli, 7-6, while DeLoory slapped winless Bedell 8-5; and Sweetheart stopped Compugraphic 9-1 behind the three hit pitching of Jack Knowlton.

A Division II doubleheader last Thursday saw K of C upsetting the front runners, Rocco's 6-1, behind the four hit pitching of Dick Elliott and NAPA outslugging Diamond Crystal 18-11 as second baseman Bill Rugg hit his seventh homer of the season for the winners.

Standings, June 17

Division I	
Miceli Club	5-1
Bemis Mobile	4-2
DeLoury Const.	4-2

FRANK CORVINO LOVES PATRIOTS

FRANK CORVINO: Of Pilling Road, North Wilmington, is one of the most ardent boosters of the Boston Patriots, and no one is more glad than he that the new Stadium has now started, even if it is not in the town of Wilmington.

He was recently elected Secretary of the newly formed Patriots Booster Club. The club has been organized to recognize the efforts of those who have worked to retain the Patriots as a pro-football club in Massachusetts. Awards are to be given to these persons at a Kickoff Banquet, planned for the opening of the 1970 season. Questions and information may be had by writing Frank at his home address of 14 Pilling Road.

ESPOSITO & COTTER SCORE IN NEW ENGLAND CHAMPIONSHIP

Wilmington's Mike Esposito and Carl Cotter, both high school Juniors, were among the high rankers at the New England Track Meet in Andover last Saturday afternoon.

Esposito, running in the 220 yard distance, finished fourth with an excellent time of 22.3. Mike, in the past three weeks of competition, came from

fourth place in Class D to fourth place in all of New England, with an excellent performance.

Carl Cotter took sixth place in the 100 yard dash, with a time of 14.28, and he missed finishing fifth by a mere nine inches. It was a very good performance.

LOWELL TECH GRADS

Leon M. Roueche
Leon M. Roueche, son of Mr and Mrs Leon E. Roueche of 45 Oakdale Road received a bachelor of science in mechanical engineering.

Robert R. Carlson
Robert R. Carlson, son of Mrs Josephine Carlson of 13 Main Street was awarded a bachelor of science degree in Mechanical Engineering. He is a member of the American Society of Tool and Manufacturing Engineers.

GRADUATES OF LOWELL TECH EVENING DIVISION

Walter J. Grabowski of Nine Woodland Drive, and Albert J. Penny of 29 Belmont Avenue have completed their courses of study at Lowell Technological Institute Division of Evening Studies.

LYNN BILLINGS GRADUATE OF FINDLAY COLLEGE

Lynn Keith Billings, son of Mr and Mrs Weyman H. Billings of 21 Strout Avenue was awarded a Bachelor of Science degree in Health, Physical Education and Recreation, during the graduation exercises at Findlay College, in Findlay, Ohio, on June 7.

Billings was a member of Sigma Pi Fraternity, and Varsity F, gaining recognition through his outstanding ability as a football and baseball player.

JOHN IRWIN AWARDED VARSITY LETTER AT BABSON

John R. Irwin Jr., son of Mr and Mrs John R. Irwin of 17 Glendale Circle received his varsity letter in hockey from Babson College at the annual All-Sports Award Night on May 29th.

This was Irwin's first year on the Babson Hockey Team.

MASSE AND BRUNELLE ARE SUFFOLK GRADUATES

Joseph C. Masse of 19 Carter Lane received his Bachelor of Arts degree from Suffolk University with a major in Sociology. He is the son of Mr and Mrs Gilbert J. Masse, and plans to attend the graduate school.

Borbert J. Brunelle, son of Mr and Mrs Alfred H. Brunelle of 9 Beacon Street received a degree of Bachelor of Science, Cum Laude. He had his major in mathematics.

Mr. Brunelle was on the Dean's List and a Scholarship Student. He is now employed as a senior technician, and plans to attend graduate school at Purdue University.

BROKEN SCHOOL WINDOWS MORE AND MORE

The Wilmington Police have counted seven cases of broken school windows, in the past four days.

June 13 six windows were broken at the West Intermediate School. Two windows were broken at the Boutwell School, and three at the Woburn St. School on the 14th.

On the sixteenth there were two broken windows at the Wildwood School, and two large one broken at the North Intermediate.

On the 17th there were four broken windows at the Woburn Street School and still more at the West Intermediate.

HOME OWNERS CORNER

By Roger

A great number of the accidents that happen each year take place in the home. One of the leading safety authorities recently made the statement that the average home is a 'potential safety menace'. He was, of course, referring to the lack of care that results in creating hazards in the average home.

If these hazards are watched for and eliminated before they cause trouble, the home is one of the safest places to be.

Take a look around and eliminate those hazards that you may find. By making a thorough check, you may prevent an accident to yourself or your family!

Check your tools and hardware supplies before you start building and remodeling jobs — and when you need any equipment, the best place to shop is A. B. Sweezy, Inc. 615 Main St., 658-2051. We will help you design and custom make your kitchen. Open 8 AM - 5 PM daily, 8 AM - 9 PM Fridays. 'Everything to Build Anything'

Helpful Hint: Painting light switches with luminous paint saves fumbling in the dark.

If you don't smoke cigarettes

State Mutual can now give you a healthy rate reduction on disability income insurance.

We were the first to offer reduced life insurance rates to people who hadn't smoked a cigarette in at least a year. And now we're offering the same deal on new Disability Income insurance... simply because we feel non-cigarette smokers are better health insurance risks, too.

So if you haven't smoked a cigarette for at least a year — pipes and cigars are permissible — let us tell you how much you can save on new Disability Income insurance with State Mutual.

SWIMMING POOL CARE

by
Bob Le Favour

Most people find it difficult to understand why water from a household tap requires treatment to make it safe for swimming purposes.

Water which appears perfectly clear in a drinking glass is usually cloudy in a swimming pool. Cloudiness may be the result of a turbid water supply, or it may develop from the effects of exposure to air.

Beyond just clearing the water be several passes through an efficient filter system, it is often necessary to check and adjust the acid/alkali balance, and the available chlorine level to assure comfortable and safe bathing.

Water purification in practically all pools is achieved by the use of some form of chlorine. The amount of chlorine which is initially required to destroy germs, algae, and organic matter is called the chlorine demand. The excess available chlorine is called the chlorine residual. The presence of chlor-

ine residual assures us that the water is safe and gives us the margin of safety to protect against the introduction of any additional contamination.

Watch, Next Week, for the TEST KIT.

Bob Le Favour is the owner and operator of Le Favour's Seacraft Sporting Goods Shop, in Wilmington, and Le Favour's Sport Shop in Haverhill. For the past several years he has been associated with the swimming pool industry.

Mr. Le Favour operates the Enchanted Mountain Ski Resort in Jackman, Maine, and for the past several years has served as an advisor to the National Sporting Goods Association.

If there are question in this column, please call him at 657-7521, or visit his swimming pool headquarters on Rte 38 in Wilmington.

School Committee Discussion Non Committal

Meeting in the High School Library: School Committee members and School officials explain their position for a new High School to somewhat skeptical town officials, Tuesday night.

L to R: Mrs. Barbara Hooper, Miss Diane Imbimbo, High School Principal Bernard McMahon, Supt. of Schools Walter Pierce, Walter McNamara, John Brooks, Al Lanni and newly elected Mrs. Nancy Clark

In a few words, the joint meeting of Selectmen, School Committee, Planning Board, and Finance Committee, Tuesday night, to discuss the building of a new High School, was non-committal.

Also present, in the High School Library were the Town Manager, the Supt. of Schools, the High School Principal, the Town Engineer and a member of the Permanent Building Committee.

Much of the talking was by School Committee member Al Lanni and Supt. of School Walter Pierce, in the early part of the discussion, but it became more general later.

Early in the discussion Lanni said that to build a new high school would cost only half a million dollars more than to enlarge the present high school and add other school facilities, and that the town would then have a new

modern school building.

No one mentioned specific sites.

Lanni estimated the cost of a new building of 280,000 sq. ft. at \$11.5 millions, a building with a 1600 pupil capacity. The impact on the tax rate, he said, would only be \$3.50 the first year, with a smaller amount each year thereafter, as the bonds were paid off.

Walter McNamara said that if an addition were to be made to the present high school, instead of building a new one, most of the construction would be for new facilities other than classrooms, such as gymnasiums, cafeterias, etc.

Lanni's proposal was that the present high school should become an intermediate school, and thus relieve the pressures of building more intermediate and elementary schools.

A fourteen year projection of the

High School population, by Supt. Walter Pierce, showed an increase from the present 1280 to 1606 in 1976 after which the figures would decline to 1539 in 1983. The projections, he said, were from Hill & Associates, consultants to the School Committee, the State Board of Education, and their own, and there was a remarkable agreement on the three sets of figures.

Many of the questions asked of the School Committee Tuesday evening were the same as they had asked themselves, in recent past meetings, and which resulted in a split vote (2 to 2) to build a new high school. The listeners, Tuesday night, seemed to have some of the same doubts.
